13th International Conference on Development of Drylands
Converting Dryland Areas from Grey to Green
February 11-14, 2019 Jodhpur, India

Guidelines for e-Poster Presentations

1. **All e-Poster should be created in the English Language only**

2. The presentations are set for e-poster (electronic poster), i.e., displayed on-site on a large LCD television screen.

3. There will be no provision for paper posters.

4. The poster should be prepared using Microsoft PowerPoint format (PPT, PPTX) or Microsoft Publisher or, if another software is used, the final product must be a **high resolution (25-40 MB) JPEG or JPG** (Joint Photographic Experts Group) file.

5. **E-posters will be displayed in JPG format only.**

6. The poster must be prepared in the portrait layout (vertical orientation) with dimensions of 60 cm wide and 110 cm high.

7. E-posters (**with only one page**) must be uploaded at the e-poster presentation area about 2-3 hours before the allotted day and time.

8. Please share your willingness for your E-poster with other delegates at the time of uploading.

9. Conference will retain the copy of presentation for making various proceedings.

For uniformity of display, following style of the composition may be used for preparation of e-Poster

1. **Title**: Font – Calibri, Size - 44, Style - Bold Capitalize Each Word

2. **Authors Name**: Just below Title, Font – Calibri, Size - 28, Style - Bold

3. **Affiliation**: Just below Authors Name, Font – Calibri, Size - 28 Style -Bold

4. **Heading**: Font - Calibri, Size - 36, Style - Bold, Sentence case

5. **Text**: Font - Calibri, Size - 32 Style - Regular

6. Please keep border of 1 cm blank around the poster.

7. Unique number will be assigned to each poster and file name should be the poster number. It should be displayed on poster also.
